

Goodwood Primary

Fairness Achievement Respect

A Message from Deb ...

Quiz Night..... What a fabulous night had by all!

Many thanks goes to our fantastic fundraising committee for an outstanding night on Saturday June 25th. It cannot happen without the dedication and passion of our parents

who helped organise this event. Hours and hours were spent doorknocking businesses and collecting donations and this was evident with the many great prizes and auction items. Thanks also to our staff reps Sarah and Maree who also spend considerable time after hours supporting the fundraising projects. The roaring 20's theme certainly was a hit and brought out the flappers and gangsters in all of us.....check out the photos on the following pages and see who you can recognise???

So far this evening has raised \$10,482. What an outstanding effort!!!

Classroom Moves and disruptions to after hours music

Thank you to Shelley, Somer, Carmen and Alex for their recent classroom and office moves. Their professional and efficient work has limited disruptions to school life. We understand the frustrations for the after hours music lessons as one group now has to work in the lobby. We are currently negotiating with some staff to use another area in the school temporarily, which will hopefully alleviate peoples concerns. Please be aware that we do value this after hours service provided to the community, for example we charge minimal hiring fees to the company.

Polling Booth BBO a winner for the Canteen!!

A special thank you to all those parents who braved the cold weather and worked on the Polling Booth BBO, it was a fantastic success raising \$1600.

Student Achievement—Reports Semester 1

Reports will be **handed** out to children tomorrow, last day of term, so please ensure that you receive your child's report from them.

When discussing your child's report can I recommend that you also focus on the challenges your child/children may have experienced during the year. The emotion and thinking we all experience when we are learning and make mistakes often stay with us a lot longer than when we understand something straight away. Next term we have a training day as a whole school on developing a Growth Mindset with James Anderson. An interesting acronym is:

F.A.I.L. = First Attempt In Learning!!!!!!!!!!!!!!

Only the other day when children were presenting their work from a homework task, the teacher focused on the ... "Where did you get stuck!!" She was amazed how this simple question energised and engaged the children. It allowed the children to focus on the processes they went through to get to their final product. If a student's final product is looked at in isolation it may not demonstrate all the thinking, challenges and learning they worked through. Some children had started again several times but the sharing of the previous attempts provided the teacher with valuable information about their skills.

So when you sit down with your child to discuss their report it will be important to focus on the areas of growth as opportunities.

A couple of other interesting acronyms are: Remember END is not the end. E.N.D = Effort Never Dies.

If you get no as an answer NO means "Next Opportunity."

Disco Thursday August 11th

I have been supporting the Year 7 Ambassadors to organise this event. A note went home this week asking for help. If you can offer a half hour during the night please return the slip or leave a message with your details with front office staff.

Staffing

For the first 2 weeks of next term I will be on leave. During this time Carrie will be acting Principal and Marella will be filling the Deputy Principal role. Helen Martin will also be on leave from August 1st to September 5th and Bella Gibson will be taking her class.

Student Free Day this Friday

Please don't forget this Friday is a student free day. OSHC is available. Staff are attending the National Conference for Teachers of English and Literacy. We will hear from national and international experts in the field. This supports our current priority in functional grammar.

Communication Tiqbiz APP

Our apologies for us not being able to use the app at the moment. The organisations upgrading of the app has led to an administration problem. This is very frustrating for us as well. We hope to have this resolved early next term.

We hope you have an enjoyable holiday break and look forward to seeing you in Term 3.

Kind regards,

Deb Brassington, Principal

**Last day of Term ... Thursday July 7th.
We finish at 2:15pm**

**Please note the Canteen will
be closed on this day.**

**DON'T FORGET—TOMORROW
Fun Day 'Fursday' in the Goody Patch
Thursday July 7th 10.00 AM - 12.40 PM. Fun for all!
Students can bring spare change (silver)
All money raised will be donated to SIDS and KIDS**

- Great Achievements at Goodwood!
- JB Poppy Art Exhibition
- Goodwood Main Street Upgrade Project
- Student Free Days for Term 3
- Quiz Night Donation Thank You
- People's Choice Credit Union Lottery
- Traffic Monitors
- Important Dates

Great Achievements at Goodwood!

Salaka Drumming

Children and staff were able to participate in the drumming workshop by Salaka.

This opportunity connected with our own specialist Taiko drumming program.

Fun was had by all!!!!

Week 9 Assembly

Last week we began to trial a new seating arrangement for assemblies. Parents will now be able to sit at the PAC end of the gym which will make it a lot easier for parents and families to access.

Congratulations to Graeme Hunt's year 6s on a well organised assembly last week. They presented their maths learning using mandarins. Well Done!!!

SAPSASA Hockey

"In Week 8, I and some other students played SAPSASA hockey at the Grange Hockey club. The training was at Walford playing field. We came third in the division 2 boys. I think the hockey was a great experience for me and I really enjoyed it." – Basil

"SAPSASA Hockey has taught me not to just play certain positions because all positions have their ups and downs. 60% of the time it was either blowing a gale or raining. The best day was definitely Wednesday because it was bright and sunny. I really enjoyed SAPSASA Hockey because you got to miss a week of school." – Toby C

"SAPSASA Hockey week was a great experience where you get to meet new people by playing hockey. Most of the time the weather was windy but on the second to last day it was very rainy and cold. The games were exciting and we only lost two games. It was a lot of fun." – Zach

Great Achievements at Goodwood!

Quiz Night

A roaring success, as was mentioned on page 1 \$10,482 was raised, a brilliant achievement from this night of fun!!

Pedal Prix

The Black Rhino Pedal Prix team had a great time at the first 2016 6-hour race at Victoria Park. Feeling the pressure of their impressive 2nd placing in Loxton, with Year 7 rider Blake S out due to injury but with the help of guest rider Year 6 Adam C the Black Rhino finished an admirable 5th out of the 66 Cat 1 trikes competing. Other Goodwood Primary riders were Zac M, Toby C, Oscar J, Ethan B and Jayden B. Great result overall. Thanks to all the riders and helpers. Next race is Sunday 31 July at Vic Park.

Great Achievements at Goodwood!

Urrbrae House Excursion

Urrbrae House was built in 1891 by Peter Waite, a wealthy pastoralist. Janet's and Bronwyn's classes visited so they could experience what life was like in 1892.

The children were put into three groups: servants, school children or guests of Mrs Waite.

"I didn't like being a servant because we made the food and we had to watch the others eat it. The guests got to eat sandwiches and sponge cake but we only got to eat scones, which was so unfair." (Sabrina)

"I was Fidelia the servant and I felt good about being a servant because even though my jobs were chores, I actually liked them." (Sienna)

"I was a guest at Urrbrae House but I would have preferred to be a servant or a child. It helped me think about the fact that back in those days you didn't get to choose. I learnt that how much money you had mattered when you were making friends. My wow moment was when the servants were serving the food and we weren't allowed to communicate with them." (Milly)

"I was a guest, but I would have wanted to be a school kid because you got to use ink." (Connor)

"Life in the 1890s was really different to now. I was a school student called Nellie. In class we got to use ink and pen and learnt the song God Save the Queen." (Daniella)

"I thought the rule ladies first was awesome because all the men let the ladies go first." (Lily)

"It was hard. I just hated the phrase 'girls first'." (Hiranya)

A big thank you goes to the following businesses and people who kindly donated prizes for our Quiz Night. The school and community really appreciate the generous donations and we look forward to supporting your business.
Thank you!! Thank you!!

Fun Day 'Fursday'

When: Thursday 7th July

Where: Goody Patch

Time: 10am - 12:40pm

Lemonade Stall

Treasure Hunt

DJ Sideshow

Story Telling

Arts and Craft

Movie

Master Chef

Massage Stall

Raffle

Students can bring spare change (silver).

All money raised will be donated to SIDS and KIDS.

Note this event is aimed at students but helpful parents are welcome to drop by.

JB Poppy Art Exhibition

Splashout Gallery, Jetty Road Brighton

Beautiful floral paintings
by local artist Jan Brown

Open each weekend July 8,9,10 - 15,16,17 - 22,23,24
Or by appointment please call Jan on 0406752879
or Paul on 0409500737

Jan Brown is a committed volunteer at our school. She has been working each week at our school for the past year and a half. Her expertise in English and working with students who have English as an additional language or dialect is outstanding. We wanted to support Jan by putting an ad in this week's newsletter for her forthcoming exhibition.

People's Choice Credit Union Lottery

Thank you for supporting this fundraising activity. This year our fundraising will help fund the following:

- › Our specialist Digital Technologies program.
- › Supporting new facilities and flexible learning spaces.
- › Resources for Nature Play and increased shade.
- › Supporting external Education & Health programs to assist children in need.

We will not be selling paper tickets this year so get online and be in the running to win some fabulous prizes. All ticket sales go directly to our school. Send the link to your family and friends and ask them to support Goodwood: <https://peopleschoicecu.com.au/goodwood-primary-school-and-preschool>

Traffic Monitors

Students have now had training to be crossing monitors. This is a very responsible job and we thank them for their commitment to this role.

Remember:

- › Be at school before 8:30 AM and head out to the crossing as a group at 8:30 AM. The reserve should also be at school before 8:30 AM.
- › Wear your hats if it is a hat wearing day. Do not take your bags.
- › Stay focussed on your job.
- › Stay on duty until 3:30 PM at the end of the day.

	Head Monitor	Reserve
Week 10	John	Sam Violet

DISCO FUN !!!!!!!!

Yes we are having a disco this year for two purposes:

- For the kids to dance and have good fun!
- To raise money for Oxfam

Date: Thursday August 11th

Time: R - 2 5:30 - 6:30pm

3 - 7 6:45 - 8:15pm

We are the Year 7 Student Ambassadors and are coordinating this event. For this night to go ahead we will be relying on having **parent help**. If you can offer 30 minutes of your time to be rostered on to help us sell food and drink or collect entry money this would be greatly appreciated. If you are able to help, **please contact the front office by Thursday July 7th**.

Kind regards

Tahlia, Abbey, Helen, Zoe, Mari, Nikki, Tashfia
