As the peak body for volunteering in South Australia and the Northern Territory, Volunteering SA & NT (VSA&NT) provides support to South Australian HACC funded agencies with volunteer programs, within the framework of the National Standards for Volunteer Involving Organisations.

VSA&NT is a community spirited, inclusive and innovative organisation that is committed to supporting:

- **Mainstream HACC funded agencies** to support the development and sustainability of their volunteer programs;
- **CALD and Aboriginal HACC providers** with the development of culturally and linguistically appropriate volunteering frameworks.

**SERVICES PROVIDED TO HACC FUNDED AGENCIES**

VSA&NT provides a range of services to HACC Funded Agencies to support the development and sustainability of their volunteer programs, including:

- Providing information and research on volunteering.
- Providing advice to support existing, and develop new, volunteer programs within agencies.
- Training opportunities to increase skills and knowledge base for volunteers and volunteer managers.
- Advertising agencies volunteer vacancies through the VSA&NT web site, V-News newsletter and Go Volunteer.
- Linking potential volunteers to HACC agency volunteer programs.
- Enhancing public awareness of volunteering through VSA&NT communications.
- Building partnerships and facilitate collaboration through networks and forums.
- Support agencies with the development of sustainable programs and resources to support the retention of volunteers.
- *Lobbying/Advocating* on behalf of HACC Funded Agencies to raise awareness of the needs of their volunteer programs.

**ACCESS TO SERVICES**

HACC funded agencies have access to all VSA&NT services. Refer to the VSA&NT web site [www.volunteeringsa-nt.org.au](http://www.volunteeringsa-nt.org.au) for details services, programs and fees (where applicable).

VSA&NT provides access to its services for all HACC funded agencies, with a focus on:

1. Agencies with at-risk volunteer programs
2. Agencies creating new or expanding existing volunteer programs
3. Support for new volunteer managers and coordinators
4. Agencies implementing the National Standards for Volunteer Involving Organisations
5. Agencies with established volunteer programs
